

[OUT AND ABOUT]

The animal in you

Reflecting the urban lifestyle of the modern generation through activewear and casual wear, Thai brand "U-P" introduces its "Conceal and Reveal" collection in premium-quality fabrics. Highlights include graphic print patterns on a shirt that can be concealed with a jacket and a hoodie that can be mixed and matched for semi-formal occasions when paired with smart trousers. The collection has been designed in collaboration with sport wear brand Warrix and features a range of animal patterns such as wolf, owl, bear, bull, lion, and other characters.
